- Important Points

"Payment of any amount lesser than the Total Amount Due in any month results in interest

accrual on the balance outstanding amount including any new purchases and cash advances. Further, making only the minimum payment every month would result in the repayment stretching over years with consequent interest payment on your outstanding balance." As per recent RBI Guidelines, cheques should have no corrections on the payee name, amount either in

words or figures. Hence, we request you to take care at the time of issuing cheques against your SBI Card dues in order to avoid any inconvenience / charges.

Incase of any transaction dispute please send a signed dispute form within 25 days from date of

transaction to chargeback@sbicard.com No new statement will be sent, in case of credit balance and no new transaction on the account within 30 days of the last statement.

SBI Cards may not approve High Risk Transactions (e.g. Jewellery etc.) to prevent misuse or potential fraud on your SBI Card.

SBI Cards discloses information regarding your account to credit information bureaus / agencies on a regular basis, as mandated by RBI.

Easier.Faster.Friendlier.

An illustration of the Finance Charge Calculation:

- •Statement Date is 2nd of every Month and Payment Due Date is 22nd of every month.
- •The interest free period is from the 3rd of every month to 22nd of the next month provided the previous outstanding balance is paid in full. Making only the minimum payment every month would result in the repayment stretching over years with consequent interest payment on your outstanding balance.
- •Cardholder makes a retail purchase of ₹1,200 on 30th April, therefore the Total Amount Due on the statement dated 2nd May is ₹ 1,200 to be paid before 22nd May.
- •On 21st May, the Cardholder pays Minimum Amount Due of ₹ 200.
- •On 25th May, Cardholder makes a fresh purchase of ₹ 1,000.

Statement dated 2nd June would show the following components

A) Finance Charge calculated= (Outstanding Amount X 3.50% X 12 Months X No. of Days) /365

Finance Charge on ₹1,200 from 30th April to 20th May (21 Days)	₹ 28.99
Finance Charge on ₹1,000 from 21st May to 2nd June (13 Days)	₹ 14.95
Finance Charge on ₹1,000 of fresh purchase from 25th May to 2nd June (9 Days)	₹ 10.35
Total Finance Charge for 2nd June cycle	₹ 54.29

B) Total Principal Amount Outstanding = ₹2,000

(Balance ₹1,000 outstanding from last month's billing period + ₹1,000 fresh purchase)

Hence Total Amount Due = (A) + (B) + Applicable taxes

If Minimum Amount Due of ₹ 200 is not paid by due date of 22nd May, Late Payment charges as applicable would be levied
